About Dominic Tay

Dominic Tay was born into a single income family and raised in government subsidized housing. When he was just nine years old, his family faced financial uncertainty when his father was unsure if he could keep his job during the economic recession. When a teacher asked his class to bring extra money to pay for the class photo, Dominic was unable to do so and was embarrassed. He vowed, from that day on, that he would achieve financial success to circumvent

any similar situations in the future.

Today, Dominic is a successful digital marketing coach who has empowered over 100,000 people around the world with his digital marketing strategies.
