

Maple Street partners with WolfPAC to establish all-in-one solution

Integrated, end-to-end vendor lifecycle management solution

LONGWOOD, FLORIDA, UNITED STATES, August 27, 2021 /EINPresswire.com/ -- Maple Street's best-in-class [vendor management system](#), the Vendor Advantage System®, is joining forces with WolfPAC's Integrated Risk Management platform to deliver a complete, integrated vendor and enterprise risk solution for credit unions and community banks.

"We've been working closely with the WolfPAC team to create a complete solution for all of our clients," said Mike Crofts, president of Maple Street. "This partnership will combine seamless service with world-class [enterprise risk management](#) that is top in the industry."

Maple Street's vendor management system and services are now integrated with WolfPAC's industry-leading enterprise risk management platform to further automate the tasks associated with vendor management compliance and provide the most robust vendor management system.

Together, the companies have created an all-in-one solution for their clients. The key benefits this solution provides include:

Maple Street and WolfPAC partnership

- Automation of enterprise risk management tasks
- Streamlined process - one solution for both software and services
- Centralization and unified reporting
- Expense reduction
- Vendor performance measurement

Maple Street and WolfPAC partner to create an integrated, end-to-end vendor lifecycle management solution.

maple street

Empowering credit unions and community banks to thrive.™

- Automation of enterprise risk management tasks
- Streamlined process – one solution for both software and services
- Centralization and unified reporting
- Expense reduction
- Vendor performance measurement

“This integration represents the significant expansion of one our most valuable synergistic partnerships. Our joint solution provides customers with

full visibility into their vendor ecosystem, allowing them to link their third-party management process with their broader enterprise risk management programs,” said Ron Taché, WolfPAC General Manager. “Initial feedback on the solution is extremely positive and we’re excited to make this integration available to a wider selection of customers.”

We’ve been working closely with WolfPAC to create a solution for our clients. This partnership will combine seamless service with world-class enterprise risk management that is top in the industry.”

*Mike Crofts, Maple Street
President*

The Vendor Advantage System®, Maple Street's proprietary vendor management system, is a complete, comprehensive vendor relationship management program that manages the entire vendor lifecycle to reduce vendor expenses, improve performance and manage risk.
