Wayne Bell Publisher, Founder-CEO, announces release of the graphic novel “We Shall Never Forget 9/11 The Kids Book of Freedom 20th Anniversary Remembrance Edition”.

“In 2011 the company respectfully published the book “We Shall Never Forget 9/11 the Kids Book of Freedom”. It sold and shipped to over 90 countries. It and other books published were officially entered into the 9/11 Memorial Museum Collections and Exhibitions Archival Records. As any factually accurate media piece or book on the 9/11 event, it was met with love and hate. With dignity and respect, we examined the terror attacks of 9/11. We do this in print to memorialize and to provide youth and adults a valid record of the events in book form. This can help youth and adults cope and understand the horrible truth. Naturally, U.S. labelled terror groups like
