life forever. However, ISM is the embodiment of struggle, success, failure, and heartbreak. The body of work tells a story that compels the listener to breakdown walls and bridges, and love vulnerably. ISM is a true reflection of Zoe's deepest feelings, and once you listen, you'll never hear things the same way again. So many artists seem disingenuous. It's like they try too hard to sound genuine, while also hiding behind their persona. At least, that's what the critics say. The critics can keep their opinions, though. What matters is that Zoe Rex seems to speak from the heart – about personal battles, about societal issues, and about love, all while sounding unique and sonically smooth.

ISM is available now on Spotify, and is coming soon to all digital platforms! Be sure to Check Zoe Rex out on [Instagram](#) @ZoeRexx . Or Visit her website ZoeRexMusic.com
