ADDISON, ILL., U.S., August 30, 2021 /EINPresswire.com/ -- ADDISON, Ill.--- [ITsavvy](#), one of the fastest growing companies of its type in the U.S., is proud to announce that it has been named one of the 10 Most Promising Dell Solution Providers for 2021 by CIOReview. ITsavvy President and COO Munu Gandhi was also on the cover of the CIOReview publication featuring awardees.

CIOReview compiled the list of leading Dell solution providers to help firms

leverage the power of emerging technologies to deliver on the promise of digital transformation. A distinguished panel of CEOs, CIOs, VPs, analysts and CIOReview's editorial board then determined the 10 that made the final cut. Finalists exhibited the strategy and execution capabilities that ensure effective and long-term delivery of client business outcomes.

"We are honored to be recognized by Dell and CIOReview as a leading Dell partner," Gandhi said. "Our long-term relationship with Dell has been beneficial to ITsavvy, Dell, and most importantly, our clients."

The article covers the highlights of ITsavvy's path to success, its strategy and its legendary dedication to client service. It reads in part, "As a Dell Titanium Partner, ITsavvy leverages the Dell solutions portfolio to serve their clients globally and across its verticals...With over \$250 million in revenue, an Advanced Solutions Group that delivers professional services and managed services, a dedicated team of certified engineers, global distribution capabilities and a strong partner ecosystem, ITsavvy delivers on behalf of its roster of clients on a 24/7/365 basis."

In the article, Gandhi is quoted as saying, "Our ability to lean in to our partner ecosystem and stitch the fabric of their capabilities has enabled us to proactively deliver value for our clients."
