“

RCRT is at the forefront of a revolution in recruiting. We expect strong demand throughout 2021 for its recruitment solution by combining AI technology, marketing software, and over 30,000 recruiters.”

Ernest C. Schlotter

According to analyst Schlotter's report: "During COVID-19, the traditional hiring process was never more difficult for recruiters and candidates, and it was not easy to adapt to a fully remote experience. Digital transformation has sped up significantly, and the way companies work has fundamentally changed. Continuing significant shifts are underway in the process to leverage technology to drive efficiency for both recruiters and job-seeker alike." In

addition, Schlotter added: "There is no question that the way we work has fundamentally changed due to the COVID-19 pandemic. Through software and mechanisms, (AI) and human-like intelligence has accelerated digitization operations by three to four years. Video interview software and AI-powered platforms make hiring up to 90% faster and significantly reduce hiring costs. Recruiter.com expects continued strong growth throughout the second half of 2021 and beyond." For the quarter ended June 30, 2021, the Company increased its revenues by 136.40% to \$4.4 million, compared to 2Q20 and 38.4% to \$4.38 million compared to 3.2 million in 1Q21.
