*Minutes from Vancouver Airport, Versante Hotel is anything but a typical airport hotel*

NEW YORK, NEW YORK, UNITED STATES OF AMERICA, August 30, 2021 /EINPresswire.com/ -- Years in the making and hugely anticipated, Versante Hotel — Greater Vancouver's first new luxury boutique hotel in years, and the first hotel of its kind in the city of Richmond — finally opened its doors to the public.

Every detail at Versante, from leading-edge technology to vibrantly colourful interior design, has been carefully considered to offer the most unique and captivating hotel experience in the region.

"Having spent almost 20 years managing boutique hotels in Canada and the US, I can't overstate how special a property Versante is," says General Manager, David Curell. "In a region crowded with branded hotels, we're proud to be Richmond's only independent boutique hotel, and locally owned and operated. Our guests are independent spirits who seek out fresh and innovative experiences everywhere they go."

Here are some of the many reasons why Versante is Canada's most remarkable new hotel experience of 2021.
