

## September Art: Sweet Autumn Miracle

*Barebrush presents the September art calendar with 30 artworks representing Art of the Day. The "Talking Art" videos resume.*

SARASOTA / BRADENTON, FL, UNITED STATES, September 1, 2021  
/EINPresswire.com/ -- The Barebrush September calendar introduces an intense color pencil artwork, *Stuytown Pleasures 2021*, by New York artist, Jon Rettich. Dozens of sunbathers enjoy the season in the heart of New York City. They are standing, sitting, lying, walking, and one is spreading a towel. Some are talking, sleeping, reading, or daydreaming. Jon writes,

'Stuyvesant Town where I live has offered the grass oval for sun and relaxation. With Covid having access to do this is simply a miracle.'

In addition, [Jon Rettich has three other pieces](#) in the September calendar, a nude in color pencil (9/10), two chess players (9/14) in graphite, and seven chess enthusiasts, playing and watching (9/21), also graphite. Barebrush founder Ilene Skeen announces the new Art-of-the-Day calendar. Thirty days of art infused with sweet passion, skill, and thoughtful focus for the new season.

“

...simply a miracle.”

More Art of the Days

If it's fine art nude photography that interests you,

Barebrush artist [Peter Wong King](#) of New Mexico offers three beautiful women photographed in warm brown tone for the art of the day on Sep. 2, 18, and 27. Peter Le Grand, of Chicago, shows 4 nudes in black and white photos for Sep. 4, 5, 7, and 15. For male nudes (and nearly nude), Tony Lee of Panama shows four works, from confined in a bubble to a celebration in the sky,

Sep. 3, 17, 29, and 30.

Of course, there is more to see. The 30 artworks in September are evocative, sensitive, and worth seeing. Each represents an artist's skill, emotion, and message to the world. Each artist owns the day their art graces the home page of Barebrush.com. Barebrush shows diverse genres: nude, portrait, clothed, animals, still life, landscape, and abstract. Barebrush artists also work in oil, watercolor, acrylic, dry media, and sculpture.

#### The "Talking Art" Method

Barebrush founder, Ilene Skeen, asks three questions to talk about art:

- What do we see?
- What does the artist say?
- What's the point?

"Talking Art" presents the art, the narrative, and close-ups. Ms. Skeen adds lines, arrows, and other art tools for clarity. She shares what the artist says about the work. Then she sums up the point of the art. In the nine months of Art of the Day for Barebrush, Sept. 2020 through May 2021, Ms. Skeen produced 274 videos. "Talking Art" videos are fast and fun, averaging under 3 minutes. The "Talking Art" videos return from the summer hiatus in September.

Barebrush is the premiere ad-free, non-porn, fine art website. Online since 2006, proving it's OKAY+ to enjoy the art of the nude.

#### About Barebrush.com

Barebrush art includes all visual media such as photography, painting, drawing, and sculpture.

Barebrush was founded in 2006. Daily Art of the Day videos began Sept 1, 2020. Artist and media inquiries welcome.
