Cancer Action Coalition of Virginia (CACV) to Hosts Virginia Cancer Conference, "CEU's Offered"

RICHMOND, VA, UNITED STATES, August 31, 2021 /EINPresswire.com/ -- The [Cancer Action Coalition of Virginia](https://www.cacv.org/) (CACV) is hosting the Virtual [Virginia Cancer Conference](https://www.cacv.org/) in September.

In 2021, over 46,000 Virginians will be diagnosed with cancer. The goal of the Virginia Cancer Conference is to provide education and training to stakeholders in the local cancer community to meet the multifaceted needs of persons living with cancer.

The virtual event will be held on three days, September 15, 22, and 29, from 9:30, am – 12:30 pm daily. Conference topics include COVID-19 Impact on Cancer Screening and Treatment; Health Equity and Cancer; LGBTQ Individuals and Cancer; Cancer Prevention and Screening; and much more.

Through live presentations, panel discussions, breakout rooms, and networking opportunities, the conference offers healthcare professionals, survivors, caregivers, and the community the opportunity to join together as we work towards a Virginia without cancer.
