Why Lawyer Link Network?

"After practicing law for over 20 years, the last 11 in my own firm, I knew there had to be an easier way to make my law firm profitable - and have a life! I've joined dozens of lawyer groups, attended hundreds of workshops and

webinars, travelled to scores of international conferences, subscribed to journals, podcasts, other Facebook groups - there has to be an easier way to find law firm management and growth strategies that actually work!

My name is Evelyn Ackah, I am Founder and Managing Lawyer at Ackah Business Immigration Law. I left a big global law firm 11 years ago to launch my own law firm, and to practice law my

way and on my terms. And that same year I adopted my 2 children and became a single parent! Through the ups and downs, I've learned how to run a successful, profitable law firm that allows me to enjoy being a parent, spend time with my family and do the things that I love. Yes I know there are a lot of other legal Facebook groups out there, but I was looking for something different and I decided to create it."

Lawyer Link Network provides lawyers, solo lawyers, legalpreneurs and small law firm owners with a community to share resources and tips to grow their legal practice, share knowledge and find ways to enjoy practicing happy law once again.
