The host, aka [The Terrorist Therapist](#)<sup>®</sup>, combines her knowledge as a psychiatrist and an expert on terrorism to talk

about the hottest topics in terror for the week from her unique perspective. Topics have included putting terrorists on

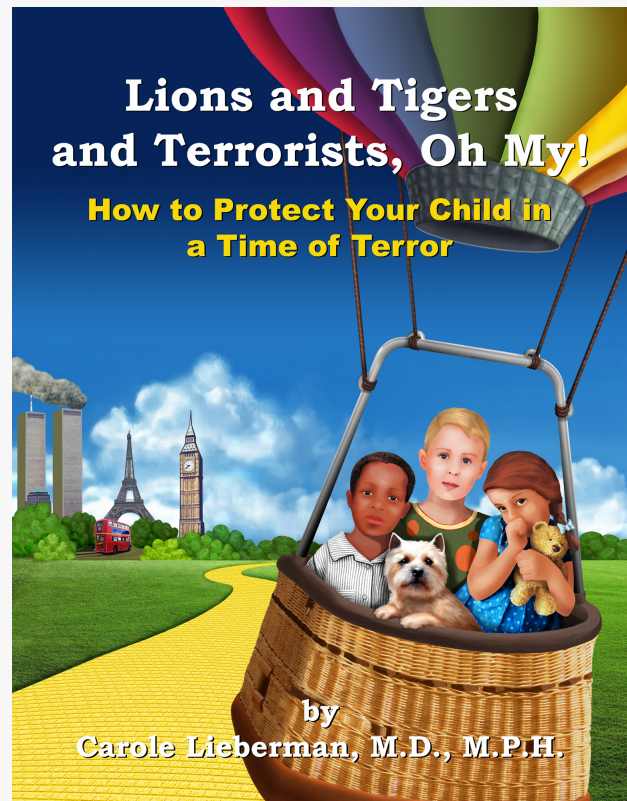

her couch to analyze them, and other terror topics that aren't talked about in mainstream media. For example, she was the first, if not only, one to say the Colorado mass shooter, Ahmad Alissa, was a terrorist-even before Al Qaeda's
