

Aldez North America, NVBDC Certified Service Disabled Veteran Owned Business, becomes NVBDC's newest Corporate Member

National Veteran Business Development Council welcomes Aldez North America as their 100th Corporate Member.

DETROIT, MI, UNITED STATES, September 2, 2021 /EINPresswire.com/ -- National Veterans Business Development Council (NVBDC) welcomes Aldez North America, NVBDC Certified Service-Disabled Veteran Owned Business, as its newest Corporate Member. Aldez North America is committed to supporting their fellow NVBDC Certified Service Disabled and Veteran Owned Businesses (SD/VOBs) by becoming a NVBDC Corporate Member. This includes an ongoing effort to enhance their outreach to secure SD/VOBs in their procurement opportunities.

Established in 1998, Aldez North America, with its headquarters in Michigan, is an award-winning supplier of manufacturing support services. The company offers parts sorting & inspection, MRO crib management, logistics, supply & packaging, and distribution and warehousing to automotive OEM's and Tier One Suppliers. With locations across the US, their dedicated team is composed of former military leaders with extensive knowledge in supply chain management and product flow. This includes their CEO, Jeff Copek, who served a 15-year career in the United States Army including six combat tours to Afghanistan and Iraq. Jeffrey Copek was medically retired and thereafter joined Aldez. He brings to Aldez extensive strategic planning, purchasing, and operations management skills. We are proud to have Jeff Copek on [NVBDC's Advisory Board](#) bringing his military experience, corporate support through his Veteran Owned Business providing guidance to our mission and goals.

For over twenty years, Aldez has been an award-winning supplier of services to automotive manufactures and their suppliers. With this extensive experience, and a proud history as a Service-Disabled Veteran Owned Business, they specialize in managing and streaming non-core production operations so their clients can focus on their core business. Offering: Inventory Management and Distribution services, Packaging solutions, and Production Line services. At Aldez they recognize every one of their customers' businesses are unique. Aldez North America leverages their decades of operational expertise to custom design solutions that meet the specific needs of the customer, always keeping quality, efficiency, and cost containment a high priority. At Aldez, they have only one mission- to exceed their customers' expectations with exceptional service, total commitment, and operation excellence. This mission steers every decision they make from who they hire to how they deliver.

Jeff Copek, CEO, Aldez

For years, Aldez has been choosing local charities to support. They have a 17-year tradition of conducting multiple annual Thanksgiving meal drives across their multiple locations during the month of November. Their staff brings the same work ethic and generosity they use to serve their clients to help the families who need a boost over

the holidays. It is Aldez's honor to carry on this feeding of families by donating, delivering, and helping to organize family meals in their community. In addition to their Thanksgiving tradition, Aldez employees support a variety of other charities throughout the year including Toys for Tots, Operation Homefront, and Holiday Toy Programs for military families. Jeff Copek is also a strong supporter of Veterans charities and he serves on the board of the National Veterans Business Development Council (NVBDC).
