About Black Rock Bar & Grill:

Where the Sizzle all Began. It all started on October 27, 2010 in Hartland, Michigan, a small town in a very tightly bonded-community.

Black Rock Bar & Grill opened its doors and brought with it a dining experience unlike any other. By pairing family recipes, a 755-degree volcanic stone, and a love for food, the Morganroth family knew they were a perfect fit for the restaurant industry; however, they had no prior restaurant experience, working only off their dream of what Black Rock could become.

With a very determined family and help from the community, Black Rock grew into something remarkable. Voted the #1 steakhouse in Michigan for three consecutive years, the family in 2013 entered a nationwide competition to be named "America's Next Top Restaurant Franchise" and won first place! Today, Black Rock is expanding across the nation. We are home grown, and soon to be nationally known.
