

# Ben's Garage Door Compiles Research about 2022's Paneled Garage Doors

*The article aims to educate homeowners about the garage door trends for 2022.*

LOS ANGELES, CALIFORNIA, UNITED STATES, September 2, 2021

/EINPresswire.com/ -- Renowned [Ben's Garage Door](#) is announcing it has compiled industry knowledge to inform consumers about the 2022 paneled garage door trends.

Ben's Garage Door is the leading garage door company in Los Angeles, California. The company provides complete garage door services, ranging from installation, repair, and garage door maintenance. Ben's Garage Door is renowned throughout the Denver area and boasts hundreds of 5-star reviews on various platforms.

Recently, to support homeowners in making the best decisions for their garage door renovations, Ben's Garage Door has released an in-depth article about the trends for [2022 paneled garage doors](#). The company hopes that by releasing this article to the public, property owners will save a lot of time, money, and frustration when making decisions about their next garage door.

"2022 will see paneled garage doors as the must-have addition to any home," says founder of Ben's Garage Door, Ben Vainer. "Many people in LA prefer paneled garage door styles because

they are sturdy, attractive, and easily operated from the outdoors. Paneled doors also create a more dimensional look and depth and can be conveniently customized to any taste or style.”

Throughout the article, Ben’s Garage Door offers a host of key 2022 paneled garage door options and information, including:

- Carriage garage doors
- French garage doors
- Average cost of garage doors by brand
- And more!
