

Citizant Promotes David Romola to Chief Operating Officer

Veteran of civilian and defense contracting to lead customer delivery and account growth strategies

CHANTILLY, VA, UNITED STATES, September 7, 2021 /EINPresswire.com/ -- [Citizant](#), Inc., an award-winning DevSecOps and data engineering firm, has promoted [David Romola](#) to the role of Chief

“

David has proven himself to be the right servant leader to champion Citizant's values – particularly delivery excellence and responsibility – in our next phase of growth.”

*Alba M. Alemán, CEO of
Citizant*

Operating Officer, in which he will oversee all customer delivery activities and spearhead the company's focus on organic growth in targeted accounts.

Romola has served as Citizant's Sr. Vice President of Operations since 2019, reporting to CEO [Alba M. Alemán](#).

“David has proven himself to be the right servant leader to champion Citizant's values – particularly delivery excellence and responsibility – in our next phase of growth,” said Alemán. “He has worked tirelessly these past few years in the most challenging business environment to honor our

commitments to our government customers, strengthen our relationships with strategic partners, and promote a better future for all of Citizant's employees.”

“I am truly honored to work for a company that lives and breathes its core values every day. Citizant's employees have established a strong reputation for exceeding customer expectations for value, delivery excellence, expertise, and innovation,” said Romola. “Backed by solid customer relationships, an employee-focused culture that is second to none, and a robust pipeline of growth opportunities for our staff, I am excited and honored to help lead the next phase of expansion for Citizant.”

Before joining Citizant, Romola served as Chief Operations and Growth Officer for Expression Networks in McLean, Va., where he was directly responsible for increasing annual revenue to more than \$20 million over a 4-year period. He also previously led and grew business at PwC, KPMG, Booz Allen Hamilton, and Deloitte. While at PwC, he successfully managed all contracts, subcontractors, P&L, and the contract center for a \$40 million US Army practice.

Romola received a bachelor's degree in Finance and Business Information Systems from Virginia

Tech, as well as a Master of Business Administration degree from Averett University. He is a Certified Project Management Professional (PMP) and Certified Defense Financial Manager (CDFM).
