Texas Expands its reach into new markets as precious metals see a huge increase in demand. It's no secret the inflation is on the rise and gold, silver, platinum, and jewelry are as well. Precious metals and jewelry are a long-know hedge against inflation. The current inflation calculator estimates an Annual Inflation Rate of 5.4% for 2021 but some experts say it is even higher. With the federal government spending more than \$6.8 trillion in

2021 already which is more than the last 2 years and more spending planned inflation is going to go even higher. This is set the Jewelry industry on fire trying to keep up with demand and supply. One Top Jewelry store now services new cities by providing in-person and online purchases of custom jewelry, engagement rings, ear jewelry, bracelets, watches, wedding bands, class rings, necklaces, buying silver, selling silver, buying gold, selling gold, buying platinum, selling platinum, jewelry repair, watch repair, watch battery replacement and jewelry cleaning.

The ability to expand a business's reach to the online market post-covid-19 pandemic is critical to growth and scaling and will continue to be more important to a jewelry store's survival plan going forward.
