From the crisp mornings to getting cozy on the sofa in front of a fire, the Fall months are an amazing time of year. Leading urban candle company Wax and Wit is now allowing homeowners to bring the season alive even further with its new range of Fall-themed candles.

Most recognized for its sassy and cheeky range of candles, Portland-based Wax and Wit is now expanding its collection of premium candles to include a host of

delicious aromas. The new line lets homeowners transform their interior with the smell of Pumpkin Spice, warm themselves with the tasty scent of Mulled Cider, or escape to the wilderness with the new woody blend of Balsam and Cedar.

Each new scent has been carefully chosen to invigorate the senses and transport you to the depths of Fall through fantastic seasonal aromas. As with all Wax and Wit products, the new candle range has been created by hand and comes in a premium American glass jar, offering a sleek and rustic design that will look fantastic in any home.

With over 50 hours of burn time, the Wax and Wit candles are amongst the cleanest burning and safest candles on the market.
