

DIY Kit Creations Receives Top Honors from National Parenting Product Awards (NAPPA)

Parents Recognize Nail Polish Making Kit in Category of Best for Creative Fun

BERLIN, NEW JERSEY, UNITED STATES, September 7, 2021 /EINPresswire.com/ -- DIY Kit Creations, a New Jersey-based company that offers innovative do-it-yourself make-up kits, was recognized by the National Parenting Product Awards (NAPPA). The prestigious award is respected and trusted by parents worldwide and is the ultimate source for education professionals and families seeking the best products for children. DIY Kit Creations' Nail Polish Making Kit was awarded in the Best for Creative Fun category.

DIY Kit Creations Nail Polish Making Kit

The Nail Polish Making Kit allows for mixing and customizing your own set of colors with a collection of primary colored pigment powders. Included in the kit is an optional color guide along with a liquid nail polish base pre-bottled in stylish, Italian-made glass nail polish bottles. No messy pouring of nail polish base required. The handmade in the U.S.A. kits include ingredients that are vegan and free from Formaldehyde and other harsh chemicals, which make for a worry-free session of fun with parents and children.

"We love nothing more than helping to create special moments between parents and children," said DIY Kit Creations founder, Kyle Lippincott. "To have parents acknowledge the fun and memories that sharing our products with their kids can create is truly an honor."

Throughout its more than thirty years in existence, the NAPPA Awards has sought to find and showcase the best toys, baby and family products and books. As one of the longest-running awards programs in the country, NAPPA ensures that parents purchase the highest-quality products that help them connect and enjoy time with their families.

About DIY Kit Creations

DIY Kit Creations offers innovative cosmetic products designed to allow customers to create truly personalized colors to encourage self-expression. The company is located in Berlin, New Jersey and currently ships product to all 50 states and U.S. overseas territories. The kits contain ingredients from suppliers and distributors in the United States, with cosmetic pigment ingredients that are all permitted for safe use by the U.S. Food and Drug Administration. All kits are assembled by The ARC of Camden County, a nonprofit occupational training center that provides work for individuals with intellectual and developmental disabilities.

DIY Kit Creations' products are not tested on animals and are backed by their 100% satisfaction guarantee.
