

# T2 Group Releases New Book on Project Management Framework: Getting the Job Done, an Inc. Original

*New Project Management Guide from Kevin Torf of T2 Group Highlights Successful Framework with Stories and Case Studies*

TORRANCE, CA, UNITED STATES, September 7, 2021 /EINPresswire.com/ -- When leading their first project or the thousandth, a project manager's number-one priority is always the same: [getting the job done](#), on time and on budget. But how can they make it happen, all while leading a team?

To answer that question, [T2 Group](#) is proud to announce [Kevin Torf's](#) first book, *Getting the Job Done: Practical Advice and Real-World Anecdotes to Manage Successful P.R.O.J.E.C.T.S.*, in both paperback and eBook on September 7, 2021. (An audiobook version will be released at a later date.)

A key part of any project manager's arsenal

As part of the Inc. Original series written by leading entrepreneurs, *Getting the Job Done* describes the P.R.O.J.E.C.T.S. framework which breaks down project management into eight core concepts. These concepts—planning, reflection, organization, juggling, empowerment, communication, teamwork and standards—have been key to the T2 Group's success and made it a leader in healthcare IT consulting and project management. *Getting the Job Done* provides short, incisive tips and case studies to help project managers use each of the eight concepts to get their ducks

“

A must-read book to share with your team”

*Andrei Soran, CEO of Pipeline Health*

in a row and get started.

Getting the Job Done has received high praise from industry leaders. Commenting on the book, Andrei Soran, CEO of Pipeline Health called it “a must-read book to share with any project management team” and Steve Garske, CIO of Children's Hospital LA, describes Torf's thinking as the “foundation for an effective methodology.”
