

The Suture Buddy has a new suture pad

Our models include both light and dark skin tones for real practice

SPRING, TX, UNITED STATES, October 10, 2021 /EINPresswire.com/ -- The Suture Buddy does not disappoint with its newest pads that included port holes. Master all port hole closures on our latest pad. Choose from dark or light skin tone and master your skills. Today at the Event, The Suture Buddy announced immediate availability of its newest [suture pad](#). This pad enables students to practice port hole closures like in the operating room.

"We've been working on this one for a long time," said Marie Rahimi, CFO of The Suture Buddy.

Many customers have already benefited from their newest pad. Mark Fisher, a Physician Assistant Student, recently purchased one of said, "As a Physician Assistant Student, suturing is one of the most important skills I need. This pad allows me to practice port hole closures. I want to be in the OR when I am finished with school, so this pad is key."

Porthole pads come in light or dark skin tone
