

Steffie Moonlady and Dennis Haklar To Release “To The Universe” An Ethereal Odyssey

ASHEVILLE, NC, USA, September 7, 2021 /EINPresswire.com/ --

Dreamscapes, soft yet strong, blended and distinguished; these are the realms created by this duo in their new work, “To the Universe.” Having worked together for over 25 years in the recording arts, they nurtured their sound. They have been honored to work with many legends, including Jon Anderson of Yes, Giovanni Hidalgo, Larry Coryell, Mark Egan, and many more.

Their latest release, “To the Universe,” is an ethereal odyssey taking you to spiritually charged spaces. Sonic textures from instruments such as the Citera, indigenous rattles, and Tibetan Singing Bowls evoke an ancient vibe. Steffie Moonlady provides mesmerizing multi-layered vocals delicately blended within the dreamscape of guitars and synthesizers by Dennis.

“My music comes with pure intentions from within, to the universe, for peace, love, and harmony.” (Steffie Moonlady)
