LOS ANGELES, CALIFORNIA, UNITED STATES, September 8, 2021 /EINPresswire.com/ -- Author Laura Ford is pleased to announce the launch of her new Young Adult novel, 'Sounds Like Love.' Published by Friesen Press, the book is available on [Amazon](https://www.amazon.com/Sounds-Like-Love/dp/1643490000) in Kindle, paperback and hardback formats, and also on iTunes.

'Sounds Like Love' tells the story of Wendy, a bright spark who wants to find love and travel the world, but who questions how her dreams can become a reality as her world changes around her. When Wendy arrives at her beloved grandmother's house to collect a box of keepsakes, she picks up more than she bargained for in a cat with amazing qualities.

"You don't need to know Kung Fu or be a rocket scientist to be extra ordinary," says Ford. "Wendy my protagonist is a seemingly ordinary young woman from the outside, however, behind closed doors she is facing a life changing reality. Wendy has an extraordinary well of strength and resilience inside her - and it's this inner strength that means so much to me. Sounds Like Love is about honoring the unique and extraordinary in each of us."
