-- MealBetix.com is a [Holistic Lifestyle](#) Company that provides the last, truly 100% Organic Meal in the country and is now ready to feed everyone this incredibly clean and incredibly rare healthy food.

Founded in late 2020 by Food Scientist, Dr. Darren Wayne, aka The Food Guru, MealBetix is the ultimate clean food for any [Holistic Diet](#), which is perfect for the healthiest [Holistic Lifestyle Plan](#).

“

We desperately need a truly clean source of real food right now that can help keep us healthy every day, before it's gone forever.”

Dr Darren Wayne

The 15 raw superfoods in MealBetix were grown in the last little bit of soil left that is actually 100% clean, free from all pesticides, herbicides, artificial fertilizers and of course GMOs.

“After spending years searching for any soil that wasn't contaminated, I finally found it, but just a little bit, and now I grow all 15 superfoods in this extremely rare soil.”

Pollution has contaminated everything around us, especially the soil, so just to find a little bit of soil left here that is still clean and pure, had been a very long and extremely arduous task to say the least.

MealBetix is the only Holistic Lifestyle Company that provides 100% Organic meals for everyone who need a source of truly 100% Organic and 100% clean food every day in their lives, especially

those who think they cannot afford to eat 100% Organic every day. Since MealBetix was launched, already thousands of meals have been feeding individuals and families daily, saving each person \$300 or more on their monthly food bill, plus saving them money on all their nutrition, too. (<https://MealBetix.com>)

What this means is that MealBetix is not only very rare 100% Organic Food that is of course 100% GMO-free, but costs less than junk food! It's hard to believe food this healthy could ever cost so little, but this is exactly what The Food Guru wants, so everyone, no matter your income and no matter your location, MealBetix can save you a lot of time and especially a lot of money.

And MealBetix just launched monthly automatic delivery, so you can receive MealBetix on time every month and never run out. Imagine saving enough time each week not having to prepare and cook meals so you can start a hobby, and saving enough money on your food bill and nutrition each year to take an island vacation! Plus feel your health improving daily! This is nothing short of a miracle, especially these days.

And every age deserves to experience real food, from fetus to senior. Most everyone alive today has never experienced the benefits of eating truly raw and truly 100% Organic food, because food this precious is not sold anywhere out there.
