Sources include more than 40 University and other libraries in Europe and in the UK, but also in the US, in Australia, Korea, China, and in Japan. EurekaMag retrieves such printed articles as scans from original hardcopies typically within 24 h.

The easiest way of ordering any article is by [searching EurekaMag for the PMID \(PubMed ID\)](#) under which it is indexed at the National Library of Medicine (NLM). The site also offers search for "Digital Object Identifiers" (DOIs) and for article titles.

The cost of retrieving any article scanned at a library is \$29.90 which includes any copyright fees. Articles which can be retrieved electronically by their DOI cost only \$19.90 and can be supplied immediately or within a maximum of 6 hours. EurekaMag emails all articles in PDF format with OCR applied in the article's native language.

In business since 2007, EurekaMag has supplied ten-thousands of scientific articles and book chapters. Their staff can be reached mainly by email or through the [EurekaMag.com Business Profile at Google](#).
