*The Hand Candle is a carbon copy of a real hand, showcasing intricate detail. Available in an array of wondrous colours and poses such as Victory and You Rock.*

STAMFORD, LINCOLNSHIRE, UNITED KINGDOM, September 14, 2021 /EINPresswire.com/ -- Already an ambassador of the iconic [Hand Candle](#), Smithers of Stamford have vastly expanded their collection of the statement candles just in time for the festive season. Available in an array of colours, poses and surprisingly affordable, these striking candles guarantee to keep gift givers off the Naughty List this Christmas.

The Hand Candle is a carbon copy of a real hand, showcasing sublime detailing. High quality paraffin repeats every intricate line of the skin texture. Only the colour and wick give away that it's a candle.

The Hand Candle is available in many poses such as [You Rock](#), Victory and OK, and all the colours of the rainbow including pink, yellow, blue and red.

Smithers of Stamford have also added the Baby Hand Candle to their collection which never fails to melt even the coldest of hearts. Pastel coloured chubby hand candles make a beautiful gift for expectant and new parents.

The Hand Candles are available from September onwards, offering the Christmas gift giver plenty of time to make that purchase in time for the big day. Orders can be taken up to December 21st but retailers are advising to be organised this Christmas to avoid disappointment.

The Hand Candles are available online from Smithers of Stamford and can easily be found in their Accessories Department, along with plenty of other delights. These wonderful gifts are
