Founded in 2015, Simply Ke'Say Boutique was created out of Mrs. Walker's love of fashion. After spending years working for Corporate America, LaKecia decided to follow her passion and became an entrepreneur and launched an online boutique and in 2016 she opened her brick and mortar shop in the Historical Springfield area of Jacksonville, Florida. She is using her Fashion platform to raise the consciousness of women to see their Inner Goddess. What better way to showcase the Goddess with-in than having fashion shows that have a purpose of community outreach as its goal.
