LOS ANGELES, CALIFORNIA, USA, September 8, 2021 /EINPresswire.com/ -- The Cosmos Pageants is a system looking to break the mold as it turns back the hands of time to the classic days of pageantry when it was a TRUE "Beauty Pageant". Based on the contestant's facial beauty of course, but also the beauty in their presence, beauty in the way they walk, their talk as well as the beauty in their overall confidence as a competitor.

As the Cosmos Pageants Official Head Judge, Gil has the know-how and the ability to envision what a royal Cosmos Queen should represent as regal titleholders.

“
