Players will require increased investments to tackle these restraints and facilitate growth in the coming years. This report comprises drivers, restraints, opportunities, and challenges pertaining to the Mobile enterprise application market; and extensive value chain analysis, patent analysis,

Reports And Data

analysis of the current manufacturing capability and technology status, commercialization potential in different devices, along with market size forecasts till 2026.

Key players with in Mobile enterprise application market are Tata Consultancy Services (India), IBM Corporation (US), AT&T (US), BlackBerry Limited (Canada), SAP SE (Germany), Infosys Limited (India), Salesforce.com, Inc. (US), Accenture (US), Capgemini (France), HCL Technologies (India), Oracle Corporation (US), and Deloitte (US).

For the purpose of this report, the market has been segmented on the basis of application type, software, operating system, organization size, industry vertical and regional analysis.

Software Outlook (Revenue, USD Million; 2018–2026)

- o Accounting and Finance
- o Enterprise Resource Planning
- o Communication and Collaboration
- o Customer Relationship Management
- o E-Commerce
- o Business Analytics
- o Mobile Learning
- o Supply Chain Management
- o Productivity Tools
- o Human Capital Management
- o Others

Application type Outlook (Revenue, USD Million; 2018–2026)

- o Native App
- o Hybrid App
- o Web App

Operating system Outlook (Revenue, USD Million; 2018–2026)

- o Android
- o iOS
- o Windows
- o Others

Organization size (Revenue, USD Million; 2018–2026)

- o Large Enterprises
- o Small and Medium-Sized Enterprises

Industry vertical Outlook (Revenue, USD; 2018-2026)

- o Banking, Financial Services, and Insurance
- o Government
- o Media and Entertainment

- o Transportation and Logistics
- o Retail
- o Healthcare and Life Sciences
- o Education
- o Manufacturing and Automotive
- o Energy and Utilities
- o Others

Regional Outlook (Revenue, USD Million; 2018–2026)

- o North America
- o Europe
- o Asia Pacific
- o RoW
