

SMi Group's 15th Annual Mobile Deployable Communications Conference returns to London in January 2022

SMi Group reports: Registration and the agenda are now available for the Mobile Deployable Communications Conference in London next January.

LONDON, LONDON, UNITED KINGDOM, September 9, 2021 /EINPresswire.com/ -- Moving to London for the first time, the [Mobile Deployable Communications Conference](#), taking place on 27th and 28th January 2022, will have a renewed focus on the UK MoD's strategic communications programme and the UK's tactical communications industry.

Featuring exclusive briefings from worldwide CIS program managers and communications experts, [this conference](#) will explore the latest

developments in battlefield communications systems and covers key topics in the field, such as battlefield 5G, spectrum management, and cognitive load.

There is an early bird discount of £400 ending on 30th September. Interested parties can register at <http://www.mobiledeployable.com/PR1>.

Host nation speakers include:

- Captain David Keegan, SO3 Communications Information Systems Trials & Development Unit, British Army
- Confirmed Senior Representative, C4 Systems Group, CIS Division, DSTL, UK MoD
