[THE TERRORIST THERAPIST®](#) MARKS THE 20TH ANNIVERSARY OF 9/11 WITH A MOBILE BILLBOARD OF HOPE & HEALING CIRCLING AROUND GROUND ZERO

On September 10th and 11th, if you're near Ground Zero and the National 9/11 Museum - between 8am-4pm EST- you will see a Mobile Billboard Truck playing a music video to bring you hope and healing, courtesy of Carole Lieberman, M.D., M.P.H., a board certified psychiatrist, internationally known as The [Terrorist Therapist®](#).

Why has Dr. Carole been on a 20-year 1-Woman Crusade to make sure we 'Never Forget' 9/11?

September 11th, 2001 changed Dr. Carole's life. Born and bred in New York City, her heart has remained there. So, on this tragic day, she asked herself how she could best help people - with her background as a psychiatrist, TV news-talk commentator and author - to cope with terrorism: the memories of 9/11 and the ongoing threat of terrorism. Since then, she's worked tirelessly - writing 2 award-winning books - including her latest, Lions and Tigers and Terrorists, Oh My! How to Protect Your Child in a Time of Terror - the first and only book about terrorism for kids (and their parents and teachers); hosting a weekly podcast called "The Terrorist Therapist Show," doing countless media interviews, speaking engagements and more. Now, for the 20th Anniversary, her gift to New Yorkers and all Americans is this music video program that she hopes will stir everyone's hearts, and provide hope and healing.
