Executive Career & Business Coach Janelle Reid Teaches Job Candidates How To “Awaken Their Value Proposition” For Optimal Career Results

MOUNT LAUREL, NEW JERSEY, UNITED STATES, September 9, 2021 /EINPresswire.com/ -- After fifteen years in Human Resources with global businesses, Executive Career Coach Janelle Reid is ready to tell the world how she went from chasing success to creating value and defining her value proposition. Janelle Reid is set to release her self published book titled *Awakening Your Value Proposition: How To Be At Your Best To Deliver Solutions* which serves as an essential guide for many as we enter a different corporate landscape. The book will be released on September 25, 2021 during a physical book launch event that will be taking place at The Westin Mount Laurel (555 Fellowship Rd, Mt Laurel Township, NJ 08054) at 2 pm EST.

Reid is the founder of Divine Career Solutions who teaches and equips both business owners and professionals seeking to start, advance, or transition with competencies that add value to employers and deliver inclusive workforce solutions for professional & leadership development to help people build businesses and their teams. She is committed to empowering individuals by identifying career needs, providing business strategy consulting and creating the roadmap to excel & advance in their career or business.

Janelle was the highest-ranking African American & Women global executive VP of HR over 2 countries(US & Canada) and has successfully transitioned from Corporate America to full-time business owner while continuing to make six figures. “I transferred the same confidence, courage, strength & authority that I had in Corporate America to business ownership by remembering that my business is not about me; it’s about serving & empowering people by helping them identify their value & maximize it to deliver solutions,” says Reid. She believes that her experience in corporate culture has enabled her to be effective at helping others in a similar position as she was to find success despite the barriers against them.

This same advice along with much more is now accessible with Reid’s book, enabling more and more people to have the right tools to find a job that suits them all while preparing and aiding individuals for entrance into a workforce that is constantly shifting, especially since the COVID-19 pandemic. With her lively wit, stories of success and failures, and dozens of practical tips, she will share with you how to convert your skills and talents to value and achieve your goals.

During the September 25th in-person launch event guests can expect to hear about the following:

How A Disciplined Thought Life Can Assist In Landing Your Next Position

Ways in which you can uncover your identity and walk in it

Monetize your competencies to be the competitive edge within the talent marketplace

How you can Produce value creation in your career, business, and the marketplace with your skills and talents

And much more...
