#### About OM Heals

OM Heals' mission is to provide access to energy medicine practitioners to millions of people around the world who are seeking holistic and

alternative ways to support their mind, body and soul through our telehealth platform. To this end, in collaboration with leading scientists and practitioners from around the globe, we plan to educate consumers regarding the science behind energy medicine based on quantum physics research that shows we are 99.9999% energy and only .0001% physical matter form.

Empaths are here to help raise consciousness, leading by example with true sensitivity and heart."
