About:

[Leon \(L Gwoppo\) Greathouse](#) is an up-and-coming Harlem-based rapper, who is driven to follow his musical journey in the Hip Hop industry. Growing up, Leon remained exposed to a life of crime filled with drugs, gangs, and violence. These problems were only exacerbated by a broken judicial system, which resulted in him spending around 16 years in state prison, facing numerous trials and tribulations. Throughout these trying times, L Gwoppo would work on honing his skills and developing his lyrical craft in the confines of his cell in the Cosackie and Clinton Correctional Facility.

Despite having a burning passion for Rap, L Gwoppo's career prospects in the industry were stunted due to his incarcerations. Today, a free man, at 41 years of age, Leon remains inspired to show the world his phenomenal musical talents and skills, producing high quality music in the Rap genre.
