

Picasso V is Doing His Thang in Hip-Hop

HOLLYWOOD, FLORIDA, USA,
September 10, 2021 /
EINPresswire.com/ -- Hollywood,
Florida's own [Picasso V](#) brings much
heat and fire with his latest single, "[Do
My Thang](#)" - which has recently earned
much radio airplay within the southern
tier of the USA and promises to attract
fans thanks to his lyrical flow and
straight-no-chaser approach.

The inspiration behind "Do My Thang"
came from Picasso V's own life
experiences - "Growing up, there were
always people trying to tell me to do
things a certain way or not. Even when
I was younger and an athlete with
scholarship offers, people were doing
that to me. I'm like, 'nah - I'm gonna do
my thang and do it my own way'."

While the video shows Picasso V driving through the streets in an expensive sports car, playing cards and hanging out, when it comes to making music, it's a different story. "When I'm in the recording studio, there's only one other person - my friend, D. He's been supportive of my career. He knew of me when I was known as Vendetta and was leading a life of crime before being arrested and incarcerated. D said then, 'if you're serious about doing music when you get out, I'll work with you.'" That's when I made the decision to better my life and change my name to Picasso V - I want to paint stories lyrically like the legendary artist painted on canvas."

With an upcoming EP on the way entitled "Sacrificial" Picasso V looks forward to performing live - "That's where I'm being myself - a free spirit sharing my music, having fun, interacting with my fans. When you come to a Picasso V concert, you'll get a great show."
