EINPresswire.com/ -- Superhairpieces has announced it will relocate its Canada office to a new location in Mississauga, Ontario.

The new Superhairpieces office in Mississauga, Ontario.

The hair system supplier will complete its move to a new and improved office located at 7295 Rapistan Ct in Mississauga on September 13, 2021.

Superhairpieces CEO George Li stated the move stems from a need for a bigger office space as they “continue to grow and expand” their operations.

For the last few years, Superhairpieces has been operating out of its 215 Traders Blvd E location where Canadian customers usually go for pickup and salon services.

The old office location will remain in service only until September 15, 2021 for any pickup services. Pickup services will then be temporarily paused until September 24, 2021 where clients will have to go to the new office. Salon services are expected to resume at the new office on September 27, 2021.

All Canadian phone numbers will remain the same.
