Pamela Gort is Invincible Forever More International Best Selling Book

Invisible No More; Invincible Forever More was born out of inspiration and a desire to collaborate with other women to bring a powerful message to the world. No one needs to feel invisible anymore. It is time to speak up about your life and the challenges you have been through, so we might all know our invincibility!

“Our stories are about hope, inspiration, motivation, and encouragement. Great book to review and talk about for Suicide Prevention week and month and any other mental health awareness. Helping people to speak up and out so they can heal is invaluable.”

“

If you have hiding or masking anything, if you are in a closet holding back your true self in any way, shape or form, come out, come out wherever you are. You will be better for it.”

Pamela Gort

—Lynda Sunshine West, inspirer of this amazing collaboration

“A week later, the phone rings and it's my father. I am afraid because I did not think my father would ever accept this. My father greeted me with, “Honey, I love you. You are amazing. There is nothing you could ever do that would take our love away from you.” I almost froze, as in that moment all my fears, doubts, concerns, shame, and guilt were wiped away and all was good. What my dad did for me was give me the courage to be me, all of me. From that moment on, I decided to come out whenever I could. I became the poster child for coming out. I would say, “Hi, I'm a lesbian” like saying hello!
