MT. VIEW, Calif., Sep 14, 2021 – [Krptic Oasis is designed to be the best](#) all-purpose crypto wallet and exchange by providing a safe and secure experience, utilizing Say-Tec Biometric Authentication to lock and unlock your wallet.

Krptic Oasis platform includes a secure Krptic decentralized wallet, a decentralized exchange embedded in the Krptic wallet, and a Krptic token. The Krptic Wallet securely stores many mainstream cryptocurrencies such as Bitcoin, Ethereum, Binance Coin, Bitcoin Cash, and others with the following standards - ERC20, HRC20 and BEP20.

Finnovant and Governor DAO (GDAO) today announce the rollout of the Krptic wallet and exchange offered to the GDAO community. Krptic is the best digital wallet to securely store private keys on your device.

"Designed to be user-friendly with the added benefit of helping people feel more secure when conducting crypto transactions, Krptic Oasis has the potential to change the world as we know it by providing a massive boost to ensuring data security and validation' Brian Maw, CEO Krptic.

"We are very excited to announce our Krptic launch with the Governor DAO community to bring an amazing digital wallet secured by your biometrics"

Krptic Oasis represents a One Stop Blockchain oriented wallet, which is community oriented, autonomous, and has a decentralized framework to ensure the security, anonymity, growth, privacy, and ease of use demanded by our customers.

Finnovant is planning to launch a utility token \$BioFi, and Biometric Financial ecosystem in Q4 2021, representing a secure set of solutions by Finnovant, Inc., leveraging the blockchain and decentralized services, which addresses the concerns that most people have about safeguarding their personal data and to be safe from exploitation by fraudsters. GDAO participants that download and utilize the Krptic wallet app will be eligible to claim 100 Finnovant \$BioFi tokens after they have been minted. Instructions to claim the \$BioFi tokens will be sent out to eligible participants in October 2021.

"We enjoy working with Krptic to help bring products like Krptic Oasis to market that provide the speed, security, and anonymity of biometric identity and blockchain technology within the decentralized finance (DeFi) space. With Krptic, Governor DAO is well positioned to assist our community with the latest technology in digital wallets." Jon Greenwood, Governor DAO Blockchain Integrations.
