

Indoor Harvest Corp. Announces Audit, OTC and Filings Resolutions and Advancement

AUSTIN, TEXAS, USA, September 14, 2021 /EINPresswire.com/ -- Indoor Harvest Corp. (OTCPK: INQD) announces today major success with OTC Markets in updating its filings and bringing current its public information trading status.

The Company has filed its latest due Quarterly Report on Form 10-Q to bring SEC required filings materially current. This includes the last due Form 10-K 2020 annual report. As a result, on September 8th, OTC Markets updated the current reporting status of the Company with an updated designation of "Current Information", removing the "Stop Sign" and the "SEC Delinquent Reporting" status signs. It is the Company's expectation that it may potentially benefit over the next few weeks as retail and major brokerage firms update their internal OTC Rule 15c2-11 affected OTC stock lists regarding trading restrictions based upon their respective internal policies and timelines.

CEO Leslie Bocskor stated, "The Company will continue with ongoing efforts to establish its foundation to begin implementing its business model. We are focused on leveraging our 2021-2022 new outlook plan, incorporating mergers and acquisitions, and joint ventures, as part of an M&A/vertical integration strategy. Primarily, we are looking for acquisition targets or partners with synergistic enterprises in the Cannabis related industry for an integrated consolidation platform. Our platform will offer opportunities to companies focused on cannabis related products, technologies, deliverables, and services, including hemp, hemp related, new nutraceuticals, supplements, and cannabinoid related areas of focus. The management team brings financial and operational expertise with a robust business and market network to support our partner companies."

About Indoor Harvest:

Indoor Harvest Corp's current strategy is to position the Company as an integrated consolidation platform offering cannabis industry companies focused on hemp, other hemp-related products, and CBD, with the potential to be part of a bigger opportunity while sharing intellectual capital, technology, expanded business networks, along with access to new capital markets and liquidity for investors.
