

Mighty Paw Adds 3 Exciting Products To Its Brand New Line of No-Spill, Mess-Free Dog Accessories

The family orientated dog gear company released non-slip, no-spill 304 stainless steel pet bowls, BPA-free silicone splash mats & slow feeder inserts.

ROCHESTER, NY, USA, September 14, 2021 /EINPresswire.com/ -- Mighty Paw, creators of the Smart Bell, Hands-Free Bungee Leash Set and other innovative dog gear, announced the launch of their no-spill, mess-free line of dog accessories.

Their newly designed supplies work for small and large dogs and help minimize messes in the kitchen for busy dog owners.

Combined with the Mighty Paw Stainless Steel Dog Bowls and the Splash Mat, the Slow Feed Insert reduces messes at mealtime and helps prevent bloating and vomiting

The 304 stainless steel bowls are rust-, bite-, and corrosion resistant and withstand years of use.

“

We're proud to contribute to a cleaner and safer home environment with our super durable stainless steel bowls, splash mats and slow feeder bowls.”

Corey Smith, CEO and founder of Mighty Paw

All three products feature BPA-free, food-grade silicone that's dishwasher-safe and therefore easy to clean.

Additionally, the slow feeder bowls drastically reduce gulping which significantly decreases vomiting and bloating at mealtime.

The bowls, splash mat and slow feeder can either be used by themselves or together for the ultimate no-spill, mess-free experience!

About Mighty Paw:

Founded by Corey Smith in 2015, Mighty Paw is a small family-owned and operated dog gear company that's headquartered in Rochester, NY. Their first product, a hands-free bungee leash set, was born out of sheer necessity when Corey and his wife Sonya, both avid runners, couldn't find the right gear for runs with their dog Barley. Since then, Mighty Paw has designed a full range of high-quality, affordable products that make life easier and more fun for active dog parents. <https://mightypaw.com> <https://mightypaw.com/blogs/news> <https://www.instagram.com/mightypaw/> ###
