OKLAHOMA CITY, USA, September 14, 2021 /EINPresswire.com/ -- Woligo has partnered with ManhattanLife to provide Accident Insurance options to its users. Woligo's platform offers a variety of insurance, benefits, banking, and retirement solutions to independent workers and small business owners.

"Self-employed individuals and small business owners have many insurance needs," said Rich Datz, Woligo Venture Manager. "We are very pleased to partner with Manhattan Life to provide an easy-to-use online process for quoting and applying to help these professionals protect themselves and their families."

"We are extremely proud of the product portfolio we have developed. We're helping small business owners and self-employed professionals level the playing field by offering their employees a competitive portfolio of coverage options," said Earl Baxter, ManhattanLife Director of Marketed Products. "Our clients and their employees can then focus on the success of their business and careers rather than worrying about healthcare."

Self-employed professionals and small business owners can easily obtain a price quote for Accident Insurance on the Woligo platform (www.woligonow.com) and apply in less than 10 minutes. Accident Insurance is based on fixed pricing. Plans range from ~\$18 – \$33 per month.
