The story follows Harry as his life progresses, digresses, and regresses. Its inspiration comes from the author, Dr. Thomas Milhorat's medical knowledge from his long-lasting neurosurgeon career that began in the early '60s and ended with Dr. Milhorat's retirement in 2011. Dr. Milhorat was the Chief of Neurosurgery at Downstate Medical Center and Northshore Hospital."

To be able to share a story, that although is fictional still has a lot of truth surrounding it, is something I view as extremely meaningful and paramount.”
