

Merging Human Industry Expertise With Artificial Intelligence (AI)

Tempesta Media and Craftly.Al partnership takes expert-driven content marketing to the next level.

MICHIGAN CITY, INDIANA, UNITED STATES, September 15, 2021 /EINPresswire.com/ -- Tempesta Media, a performance-based content marketing solutions leader, announces its partnership with Craftly.AI, an AI-powered copywriting assistant.

Tempesta Media will incorporate the Craftly.Al platform as part of its managed solution. The new capabilities will be made available to the company's vetted industry experts. Craftly.Al's Al-powered copywriting

assistant will help them convert their extensive industry knowledge and subject matter expertise into magazine-quality content. The partnership will benefit writers by increasing productivity and benefit clients with enhanced customer satisfaction and better-optimized content that achieves results even faster.

Leveraging AI for better content

In a rapidly evolving digital marketing world, quality content matters. It remains one of the most effective tools for attracting new customers and converting leads into sales. The ability to continually adapt to the changing online algorithms and industry shifts gives companies an edge over the competition.

"After evaluating numerous solutions, we selected Craftly.AI because of the tangible value it will bring to our industry experts and our managed service clients," commented Michael Marchese, Founder, and CEO of Tempesta Media. "This partnership further advances Tempesta Media's leadership as the premier content marketing managed solution for financial services, healthcare,

and business services companies."

"I know that by combining Tempesta Media's 27,000+ industry experts with Craftly.Al's creative and original copywriting, we are bringing together the very best of human talent and revolutionary technology. This partnership will produce content that is far superior to either individual component. In the hands of a novice, Craftly can produce great content, but in the hands of a copywriting and industry expert the output can be amazing." commented Iman Bashir, Founder of Craftly.Al.
