Digital Print Media

Wide-format digital printing has completely changed the sign industry and provided many new options. With the ability to print on [adhesive vinyl](#), banners, fabric, paper, and other materials you can create graphics for vehicles, walls, windows, floors and so much more.

Most materials are compatible for printing with eco/solvent, UV and latex ink. You will want to check each product individually for ink compatibility.

- Vehicle wrap kits

- Banners
- Window and wall graphic media
- Fabric and textile media
- Translucent media
- Bus transit and changeable media
- And more

Regional Supply offers a variety of [overlaminates](#) and adhesives to meet any digital printing need.

Inks offered by Regional Supply:

- Eco/solvent
- Latex
- Dye sublimation
- UV
- Pigment (water-based)

Regional Supply also offers replacement parts for the following brands of printers:

- Roland
- HP
- Epson
- Canon
- Direct Color System

This variety along with the professional assistance offered by Regional Supply is part of what keeps customers coming back year after year.

One returning Regional Supply customer said, "Very helpful crew and prices are fair. I've been using these guys for a few years now. They are very knowledgeable about everything in this industry. They're honest and they're happy to help the little guys like me. I'll be with these guys for the foreseeable future."
