

ZenSpace Now Provides the Industry's Most Comprehensive Offerings of Smart Workspace for Enterprises

SAN JOSE, CALIFORNIA, UNITED STATES, September 15, 2021

/EINPresswire.com/ -- [ZenSpace](#), the next generation of on-demand smart workspaces, today announced the industry's most comprehensive offering of smart workspaces for enterprises of all sizes looking to help make their employees become more productive regardless if they are in-office or fully remote as well as expand their presence across the country.

As more organizations embrace remote and hybrid work models, ZenSpace is offering three new [workspace solutions](#) designed to address the problems of today's modern enterprise. The ZenSpace new enterprise offerings include:

“

These new offerings are in direct response to the high demand from enterprises looking for simple and cost-effective workspace solutions to serve their constantly evolving workforce”

Mayank Agrawal, founder of ZenSpace

Monthly Zen Lounge Membership: Access to all of our locations and spaces in a simple, flexible and affordable monthly plan.

Turnkey Satellite Offices: Fully-equipped custom Zen offices for 10-50 employees which save employers the hassle and costs associated with re-opening the office.

ZenSpace SmartPods: Private and quiet workspaces ideal to optimize the open office

“These new offerings are in direct response to the high demand from enterprises looking for simple and cost-effective workspace solutions to serve their constantly evolving workforce,” said Mayank Agrawal, founder,

ZenSpace. “In addition, we also give organizations a unique opportunity to create numerous
