Several roles have been cast. However, the casting is still in process. *Tewyx* is a touching story, which depicts how one's personal and professional relationships can be affected by the coronavirus pandemic.

From the top straight to the rock bottom... And back.

What happens to those who lose everything in an instant? And what about those who get rich real fast?

It is interesting that one of the roles in the [film](#) - the director of the prison, Karel Smith, is played by the convicted murderer Jiří Kajínek, who was released on amnesty in the Czech Republic.

The premiere of the film *Tewyx* is expected in March 2022. If you're interested in visiting us during the shooting or in participating in the making of the movie, please contact us via email: info@tewyxfilm.com

At present, 80% of the film has already been made and has been shot, for example, in Dubai or the Czech Republic. Filming in the United States will take place in November and December.
