

# DSG Global and Imperium Motor Company Granted SAE and EPA numbers used in manufacturing for Multiple Vehicles

SURREY, BRITISH COLUMBIA, CANADA, September 15, 2021 /EINPresswire.com/ -- [DSG](#) Global, Inc. (OTCQB: DSGT) ("DSGT" or the "Company") is pleased to announce that its electric vehicle division, [Imperium](#) Motor Company, has received a manufacturing license and World Manufacturing Identifier (WMI) Code for the Terra-E Truck and SEV. The Society of Automotive Engineers or known as the SAE and the Environmental Protection Agency known as the EPA , has assigned the WMI code 7PG to the company. A WMI is the first 3 characters of a vehicle identification Number (VIN) which uniquely identifies the manufacturer of a motor vehicles. The EPA identifier number issued for Imperium Motor Company is now IMP.

“This is an important step towards bringing production of our vehicles to our manufacturing facilities in North America. By producing light trucks and SUV’s, among other vehicles, here we can better control logistics and delivery times. The company anticipates significant interest in the SEV at the Montreal Electric Vehicle Show that Christian Dubois is attending this Friday, Saturday, and Sunday. The company recently announced the first mass production run of 682 vehicles for the rebranded Sport Electric Vehicle (SEV), with the vehicles slated to begin arriving in late Q4.” stated Rick Curtis, CEO, Imperium Motors.

## About DSG Global

DSG Global is an emerging global technology company with an array of interconnecting businesses in some of the fastest-growing market sectors. With roots in the golf industry, in which it specializes in fleet management with patented analytics, mobile touch screen engagement and electric golf carts under the Vantage Tag Systems (VTS) brand, the Company is moving quickly with road-ready electric vehicles for sale in the first quarter of 2021 through its Imperium Motor Company subsidiary.

## About Imperium Motor Corp.

Imperium Motor Corp. (IMC) is an EV sales, manufacturer and marketing company that offers a wide variety of affordable vehicles equipped for the North American market, with emphasis on great design, a green mindset, performance, and functionality. Vehicles will include high-speed, mid-speed and low-speed electric vehicles including cars, trucks, SUVs, vans, buses, and scooters. For additional information about Imperium Motors’ product lines, please visit [www.imperiummotorcompany.com](http://www.imperiummotorcompany.com).

## About Vantage Tag Systems

Vantage Tag Systems (VTS) provides patented electronic tracking systems and fleet management solutions to golf courses and other avenues that allow for remote management of the course's fleet of golf carts, turf equipment and utility vehicles. Its clients use VTS' unique technology to significantly reduce operational costs, improve the efficiency plus profitability of their fleet operations, increase safety and enhance customer satisfaction. VTS has grown to become a leader in the category of fleet management in the golf industry, with their technology installed in vehicles worldwide. VTS is now branching into several new streams of revenue through programmatic advertising, licensing, and distribution, as well as expanding into commercial fleet management, PACER single rider golf carts and agricultural applications. Additional information is available at <http://vantage-tag.com/>.

## Safe Harbor for Forward-Looking Statements

This news release contains forward-looking information. Such forward-looking statements or information are provided for the purpose of providing information about management's current expectations and plans relating to the future. Readers are cautioned that reliance on such information may not be appropriate for other purposes. Any such forward-looking information may be identified by words such as "anticipated," "proposed," "expects," "intends," "may," "will" and similar expressions. Forward-looking information contained or referred to in this news release includes but is not limited to the Company's ability to secure manufacturing facilities and supply chains, the benefits the Company expects to derive from existing and planned products, and the Company's ability to achieve production and sales targets, generally.

Forward-looking statements or information are based on a number of factors and assumptions, which have been used to develop such statements and information, but which may prove to be incorrect. Although the Company believes that the expectations reflected in such forward-looking statements or information are reasonable, undue reliance should not be placed on forward-looking statements because the Company can give no assurance that such expectations will prove to be correct. Factors which could cause actual results to differ materially from those described in such forward-looking information include, but are not limited to: successful completion of due diligence, satisfaction of conditions, and completion of the proposed transaction with MTG, INC. negative cash flow and future financing requirements to sustain operations; dilution; limited history of operations and revenues and no history of earnings or dividends; competition; economic changes; delays in the Company's expansion plans; regulatory changes; and the impact of and risks associated with the ongoing COVID-19 pandemic, including the risk of disruption at the Company's facilities or in its supply and distribution channels. The forward-looking information in this news release reflects the current expectations, assumptions and/or beliefs of the Company based on information currently available to the Company.

Additional factors that could cause actual results to differ materially from those anticipated by our forward-looking statements are described under the captions "Risk Factors" and "Management's Discussion and Analysis of Financial Condition and Results of Operations" in our Annual Report on Form 10-K for the fiscal year 2020 and our subsequent Quarterly Reports on

Form 10-Q and Current Reports on Form 8-K, all filed with the Securities and Exchange Commission. Forward-looking statements are made as of the date of this release, and we expressly disclaim any obligation or undertaking to update forward-looking statements. The forward-looking statements or information contained in this news release are expressly qualified by this cautionary statement.
