The Advocate says, "Our top priority is doing everything possible to ensure a Navy Veteran with mesothelioma

receives the very best possible compensation results. One way a Navy Veteran with this rare cancer caused by asbestos exposure or their family can ensure the best possible compensation results is to list in as much detail how, where or when they were exposed to asbestos on a navy ship, submarine or at a shipyard. It is this information that will become the foundation for a mesothelioma compensation claim as attorney Erik Karst of Karst von Oiste is always happy to discuss anytime at 800-714-0303."
