EINPresswire.com/ -- MealBetix.com is a Holistic Lifestyle Company that is home to The MealBetix Lifestyle, which focuses on eating 100% Organic every day.

Founded in late 2020 by Food Scientist, Dr. Darren Wayne, aka The Food Guru,

The MealBetix Lifestyle is the ultimate clean food lifestyle and therefore perfect for anyone wanting to improve their health without having to diet.

“

We desperately need a truly clean source of real food that can help keep us healthy every day, before it's gone forever. And this is what The MealBetix Lifestyle represents.”

We all desperately need [foods with high fiber for constipation](#), [foods with natural fiber](#) and of

Now is the time to start eating the last real food on earth, before it's gone.

The MealBetix Lifestyle focuses solely on eating food that was grown in the last 100% Organic soil left here, in other words, is 100% clean, free from all pesticides, herbicides, artificial fertilizers and of course GMOs.

“After spending years searching for any soil that wasn't contaminated, I finally found it, but just a little bit, and this is where The MealBetix Lifestyle was born.”

Pollution has contaminated everything around us, especially the soil, so just to find a little bit of soil left here that is still clean and pure, had been a very long and

course [vegetables with high fiber low carb](#), which most everyone needs today, especially those who eat fast food and even those who think they cannot afford to eat 100% Organic every day.

Since The MealBetix Lifestyle was launched, already thousands of people started experiencing more health than they ever have before, saving each person \$300 or more on their monthly food bill even, plus saving them money on all their nutrition, too.

What this means is that The MealBetix Lifestyle not only provides very rare 100% Organic Food that is of course 100% GMO-free, but costs less than junk food. It's hard to believe a 100% Organic lifestyle this healthy could ever cost so little, but The Food Guru does not let food corruption raise the cost of 100% Organic food, so everyone, no matter the income and no matter the location, The MealBetix Lifestyle can save you a lot of time, save you a lot of money and especially improve your health.

And The MealBetix Lifestyle just launched the wholesale price, so you can now pay less than junk food to start The MealBetix Lifestyle. Imagine saving enough time each week not having to prepare and cook meals so

you can start a hobby, and saving enough money on your food bill every month and save enough on your nutrition each year to take an island vacation. Plus feel your health improving daily! This is nothing short of a miracle, especially these days.
