the community consisting of millions of market participants from every sector of the wide FX trading ecosystem.

Fazzaco aims to build a community connecting exclusively all the players across the global forex and crypto industries. Those creating or claiming their company pages on the platform will be offered various privileges to gain positive visibility for their businesses and products. In August, some companies have grown the followers of their Fazzaco company pages to 3500+ ever since they created or claimed their pages.

Fazzaco also features a “News” section that provides up-to-minute industry news. Last month, many more industry firms have also added Fazzaco as a press release distribution channel to support their marketing goals.
