

# Eleonor Marklund: Legendary Entrepreneur Takes Over Inspire Magazine

*Acclaimed Spiritual Coach and Publisher Extends her Entrepreneurial Arms Once Again*

NEW YORK , NY, UNITED STATES ,  
September 22, 2021 /  
EINPresswire.com/ -- [Inspire Magazine](#),  
Founded in 2009, is the premier  
spirituality and wellness magazine  
located in the Nordic region. Eleonor  
Amora Marklund, one of Sweden's and  
Nordic regions' most accomplished  
and successful entrepreneurs, has  
taken over as Inspire's new Owner and CEO.

In recent years, spirituality has quickly climbed to the top as one of the most desired services. Eleonor, as one of today's most decorated spiritual coaches, simply started off by helping her clients achieve wealth, health, and sovereignty through her luxury spiritual modality. That was just the start. Eleonor's success quickly caught fire and began expanding far and wide.

As Eleonor began seeing the need for spiritual encouragement, motivation, and support, she used these needs as catalysts to create [House of Sovereignty](#) and later become a best-selling [author](#) of more than 10 books such as *Arise*, and is set to release her upcoming book *Stormborn* on September 24th. She founded her publishing and media arms to teach and support budding authors to successfully use their voices and stories to build an inspiring legacy.

Now, after achieving such great success as a coach, publisher, and author, Eleonor is expanding her arms once again. In the coming months, Eleonor will be re-launching Inspire Magazine as its new Owner and CEO. Currently sold across Sweden, Norway, and Finland, as well as available digitally on Readly, as its new owner, Eleonor wants Inspire to be the spiritual and health guide for body, mind and soul. She aims to elevate its current readers to levels they haven't seen and for new readers to feel welcomed and find the help and support they need. Inspire will fill readers with inspiration on how to live a joyful life through stories, interviews, in-depth reports on health, spirituality, personal development, and so much more.

Not only as one of Sweden's most successful entrepreneurs, but the entire Nordic region, Eleonor's true goal is to help individuals reach their full potential and achieve their dreams just as she has.
